LB 783, 877

SENATOR MILLS: Well very briefly Mr. President. Again, it would allow, or mandate, not allow a ten year plan with regular up-dating of the implementation that we have already adopted with the committee amendment which in effect withholds certain amount of money if those NRD Districts and I want to repeat that they are NRD districts, they are not Commission districts, do not do certain things and for Senator Bereuter, I understand of course some of his argument and will be happy to work with him as I know Senator Kremer will and we will attack that together Senator Bereuter on Select File if we can have your support now.

PRESIDENT: Record your vote. Record.

CLERK: 31 ayes, no nays on the motion to advance Mr. President.

PRESIDENT: The bill is advanced. We go to LB 877.

CLERK: Read LB 877.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, members of the Legislature LB 877, the bill to construct a facility for the law enforcement training center should have a couple of amendments placed to it, both of them of a technical nature. The first one that I would talk to would be on page 1438 of the Journal and in effect it cancels out the Nebraska Public Safety Academy and leaves the terminology for the Nebraska Law Enforcement Training Center for two reasons, mainly to be sure that there is no interplay in thought between the safety center over at Kearney State College over in Kearney, Nebraska and the Law Enforcement Training Center in Grand Island, Nebraska and the other point in the name stability of the law enforcement training center is that at this time this is the only activity that will be taking place in the center is law enforcement training so it is proper to retain the present name Nebraska Law Enforcement Training Center. Mr. President, I would move the adoption of this amendment.

PRESIDENT: That is the first amendment that you filed. The long one.

SENATOR KELLY: It is the one that would be on page 2, line 5, 15, and 18.

PRESIDENT: All right. We had another amendment up here that we thought that we were dealing with. But we can reform the Journal. That is the amendment then that we are talking about.

SENATOR KELLY: Just the naming only Mr. President.

PRESIDENT: The what?

SENATOR KELLY: Calling it the Nebraska Law Enforcement Training Center instead of the Nebraska Public Safety.

PRESIDENT: All right, Senator Reutzel, do you wish to speak to the name amendment? Senator Reutzel? Okay, Senator F. Lewis?
